series of virtual gubernatorial candidates forums on child care, early education, and family support hosted by Maryland Family Network's Public Policy Committee.

UPCOMING DATES:

October 13, 2021 at 1:00 pm

November 10, 2021 at 1:00 pm

The format for these virtual forums will allow the candidates for Governor to speak directly to—and respond to questions from—the community of advocates for young children, their families, and early educators. These will not be debates, per se. Please note that as a 501(c)(3) organization, MFN will not engage in activities that support or oppose any candidate for public office.

Space for these virtual events will likely be limited. Registration links and additional information for the September forum will follow shortly. In the meantime, contact cmacsherry@marylandfamilynetwork.org with questions. Please stay tuned!

-CHILDREN'S BEHAVIORAL HEALTH FORUM-

On behalf of the [Maryland Children's Behavioral Health Coalition](#) and the Mental Health Association of Maryland, we invite you to join us for a community forum to advance a shared vision for children's mental health at a time of unparalleled need. This virtual Children's Behavioral Health Forum will be held on October 18, 2021, 1-4 pm.

Despite four decades of reform efforts to realize a comprehensive behavioral health system for youth and families in Maryland and nationally, services and supports remain fragmented and inequitably available to those in need. The urgency of a unified effort to support youth has never been more important, given the societal challenges we face today.

The goals of this event are to:

- Assess Maryland's progress to date
- Provide a forum for broad community input and discussion
- Align around a shared agenda to advance meaningful system reform

The agenda will include:

- An overview of the vision and progress to date in Maryland and nationally
- Perspectives from youth, family and community leaders
- A moderated conversation among participants to build consensus around a shared vision for the future and preliminary planning for next steps to move forward

A detailed agenda will be sent soon, but in the meantime, please [RSVP to reserve your seat](#), and share this link with colleagues in the field. This is an open event and we're looking forward to a robust conversation!

Register in advance for this meeting: <https://us06web.zoom.us/meeting/register/tZUrc-qsrDMpG9JAJkb7I8RGwgDAFIPrFSsg>

After registering, you will receive a confirmation email containing information about joining the meeting.

Please email [the PIEC Team](#) to have any upcoming trainings or events you are hosting featured in the newsletter!
